

Student Works Wanted!

Submit until the
end of April!

For a new kabk guide for the
incoming students we're searching for
examples of physical works made in various
workshops in the academy

If you'd like to submit your work
please send it to: n.madej@kabk.nl

Please include:

- your name
- pictures of the work
- a list of techniques used
- your department
- title of work
- short description of your process

The chosen works will be included in the new kabk guide for the incoming students. All artists will be credited in the publication finished in 2025
